

AJE-FLAVIA 2

Decorative wall fixture

Product type	Wall lamps
Power Consumption (On)	12 W
Type of lighting	LED
Temperature of the colour	4000 K
Light time	20000 h
Degree of protection	IP20
Certificates and sealing classes	IP20
Main color	Silver
Additional information	Voltage: 100-240VAC 50 / 60Hz
Additional information	Waterproof IC driver inside
Additional information	The casing is made of stainless steel
Type of diodes	SMD 5630
Height	50 mm
Depth	135 mm
Power of light stream	750 lm
Width	500 mm
Type	Wall lights
Type	Decorative
Application	Not applicable
Thread type	No data
Application	Not applicable
Type	Decorative LED
Input voltage	No data
